

**THE PNGAUS PARTNERSHIP CLIMATE CHANGE RESEARCH GRANT
2023-2024 Expression of Interest Application Form**

GENERAL INFORMATION

- Refer to the Guidelines prior to completing this Expression of Interest.
- Please answer every question.
- Have your application authorised by the appropriately authorised person of your organisation.
- Submit your application by the closing date: **November 24 ,2023**

PART A: APPLICANT DETAILS

APPLICANT'S DETAILS

Name		Contact Details
Position		Phone:
Institution or Affiliation		Email:
Physical Address		

SUPERVISOR'S DETAILS (Applicable to students)

Name		Contact Details
Position		Phone:
Institution or Affiliation		Email:
Physical Address		

Note: A research supervisor will be provided for students without a supervisor.

PART B: RESEARCH PROPOSAL SUMMARY

RESEARCH TOPIC			
ABSTRACT	Provide a summary of your project including the the issue and possible solution.		
TYPE OF RESEARCH	Explain the type of research you intend to undertake. For example, scientific research on the annual GHG emission rate by vehicles in PNG.		
APPLICATION CATERGORY ✓ Box	<input type="checkbox"/> Student	<input type="checkbox"/> Open	
FUNDING RANGE ✓ Box	<input type="checkbox"/> \$5,000.00	<input type="checkbox"/> \$10,000.00	<input type="checkbox"/> \$20,000.00

RESEARCH DURATION <input checked="" type="checkbox"/> Box	<input type="checkbox"/> 6 Months	<input type="checkbox"/> 9 Months	<input type="checkbox"/> 12 Months
---	-----------------------------------	-----------------------------------	------------------------------------

PART C: RESEARCH PROPOSAL DETAILS

1. SIGNIFICANCE OF THE PROJECT TO PNG

1.a Problem/issue to be addressed and why is this relevant: Describe the problem/issue your research is trying to address in relation to the GoPNG’s climate priority areas and its significance for the CCDA’s climate change objectives. Refer Annex 2.

1.b Project objectives: List the research objectives (ensure you provide a list of your objectives and not a list of activities and outputs).

1.c Expected outcomes of the project (general outcomes): Describe how the research will help address any key risks, gaps or challenges to community values, economic growth, and or ecosystem services amongst others posed by climate change.

1.d Potential beneficiaries: Give an indication of who is likely to benefit from this research. If relevant, this should include locations, institutions, groups, and vulnerable people of potential beneficiaries.

2. MERIT OF THE RESEARCH

Outline your research method: Give a short summary of the methods to be employed; the location of any field, laboratory, library, archive, office, or other places where the project will be done. Mention any partners jointly undertaking this research.

3. POTENTIAL FOR SUCCESS

How have you determined that the amount requested, and timeframe allowed will result in your research reaching a practical outcome?

PART D: AUTHORISATIONS

Person authorising submission of Expression of Interest

Name		Contact Details	
Position		Phone	Email
Institution or Affiliation			
Physical Address			

PART E: APPLICATION SUBMISSION

Applicant must adhere to the following naming instructions for submitting their application.

Name your form **ONLY** as: **YOUR FULL NAME – Climate Change Research EOI.**
(uppercase) (lowercase)

Before submitting your application, please refer to the submission process set out below.

- Answer **all** questions in the EOI form.
- Have your application authorised by the appropriately authorised person of your organisation.
- Do not submit any attachments with the EOI form.
- EOI Application form must be sent as the PDF smart form.
- Submit your EOI form by the closing date :24th November 2023.

Email your EOI to: researchproposals@ccda.gov.pg

Any application that is late, incomplete or ineligible will not be considered.
